

ACCEPTANCE & DRAW-CONDITION REVIEW | ILLUSTRATIVE SAMPLE

Technical Draw-Readiness Opinion

ILLUSTRATIVE TECHNICAL CONCLUSION

Technical evidence supports closure of two conditions. One condition remains in technical review. Any waiver or draw authorization remains solely a lender action.

AUTHORIZED AUDIENCE AND LIMITS

An actual deliverable identifies its version, issue date, file hash, authorized audience, and download expiration. Reliance, permitted use, distribution, liability, and confidentiality are governed only by executed terms and require counsel-approved language.

Doku provides a technical opinion, not a credit approval, lender waiver, legal opinion, audit, engineering certification, insurance determination, or substitute for lender judgment.
