Claim-evidence excerpt

- 01 Claim 01 | Source evidence linked | Supportable
- 02 Claim 02 | Selected test reviewed | Supportable with condition
- 03 Claim 03 | Evidence gap recorded | Insufficient evidence

AUTHORIZED AUDIENCE AND LIMITS

An actual deliverable identifies its version, issue date, file hash, authorized audience, and download expiration. Reliance, permitted use, distribution, liability, and confidentiality are governed only by executed terms and require counsel-approved language.

Doku provides a technical opinion, not a credit approval, lender waiver, legal opinion, audit, engineering certification, insurance determination, or substitute for lender judgment.
